

RAMCA
VDOT ESCCC Certification Class
Thursday July 20, 2017
9:00 a.m. - 3:00 p.m.
Offices of Draper Aden Associates
8090 Villa Park Drive
Richmond, Virginia 23228

General Class Information

In accordance with VDOT Road and Specification 107.16 (A), land disturbing activity occurring within the VDOT right-of-way must be supervised by a certified Erosion and Sediment (ESC) Contractor who is required to be on-site at all times during that land activity.

RAMCA is authorized by VDOT to teach and administer the ESCCC Program.

This course is intended for any individual who has experience in excavation and erosion and sediment control devices and techniques who seeks to be certified as a VDOT ESC Contractor. This class certifies you to place and inspect Erosion and Sediment Controls on VDOT Easements or VDOT Projects.

Instructor

Cindy Linkenhoker, the RAMCA/VDOT ESCCC certified trainer, has a distinguished career as an erosion and sediment control professional. She currently holds a "combined administrator" ESC designation from the Virginia Department of Environmental Quality (VDEQ). Cindy has worked as a Senior Water Resources Engineer for the Virginia Department of Conservation and Recreation (DCR) and managed the ESC Program for the City of Portsmouth for nine years as its Stormwater Administrator. She also worked as a Senior Water Resources Engineer with the private civil engineering firm of Parsons Brinckerhoff in Virginia Beach.

Currently Cindy is the Stormwater Program Manager for Roanoke County. She is one of only three individuals authorized by VDOT to teach the ESCCC class in the Commonwealth of Virginia.
